NATIONAL STATES RIGHTS PARTY

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont," a newspaper of Greenville, South Carolina, reported "the recent formation of a new political party, to be known as the United White Party." According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals."

The July, 1958, issue of "The Thunderbolt," self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP), reported that rank-and-file "States Righters" had merged with the UWP under "the banner of the National States Rights Party," with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of klan-type organizations and notorious anti-Semites.

June, 1960	Post Office Box 783 Birmingham, Alabama
July, 1965	Post Office Box 184 Augusta, Georgia

Issue Number 126, dated June, 1970, of "The Thunderbolt" lists Dr. Edward R. Fields as the National Director of the NSRP as well as Editor of "The Thunderbolt."

"The Thunderbolt" continues to publish articles attacking Negroes and persons of the Jewish faith.

COUNTERINTELLIGENCE PROGRAM
DISRUPTION OF HATE GROUPS
RACIAL MATTERS

Re New York letter to the Bureau, dated 12/1/69.

The National Renaissance Party (NRP) is the only white hate type group known to be currently active in the New York division.

The NRP headquarters continues to be located in Apartment 8, 10 West 90th Street, New York, New York, the residence of NRP National Director, JAMES H. MADOLE.

The activities of the NRP during the past year have included Sunday night meetings, street rallies, and occasional picket lines, none of which have resulted in acts of violence. However, the activities have encouraged confrontations with the Jewish Defense League.

The current active membership of the NRP is between 15 - 20 members.

The NYO is not advancing a counterintelligence proposal because the NRP continues to act as a clearing house for anti-Semitic, anti-Negro individuals who might be prone to acts of violence were it not for the restraint placed upon them by their leader, JAMES MADOLE.

The NYO by letter dated 12/1/70 proposed that in the absence of other proposals a counterintelligence letter prepared on NRP stationery and appropriately signed JAMES H. MADOLE would help to neutralize [redacted] of the National Socialist White Peoples Party (NSWPP). It is the opinion of the NYO that if this proposal is adopted it will have a secondary effect of disrupting [redacted] influence outside the New York City area. It is the opinion of the NYO that the NRP is of such an insignificant influence in the New York City area that the organization does not warrant counterintelligence activities.

A review of the NY files on the following organizations reveals no organized activity by them in the New York area:

United Klans of America, Inc.
Knights of the Ku Klux Klan (UKA),

SMC
Demonstration
Washington, D.C.-4.24.71

On this date, a member of Queens College, N.Y., SMC went to the demonstration to end the war, in Washington. There were about 200,000 in attendance. The people present were not as vociferous as they were in November, 1969, at the demonstration, then, in Washington. This time, the crowd seemed to take their objective more seriously and without the carnival atmosphere that pervaded the 1969 demo.

In the midst of the vast throng at the Capitol, during the speeches on Saturday, were about eight members of what seemed to be a right-wing group. It was hard to get a good look at them. They were seen to be wearing some kind of uniform, however. It consisted of gray shirts and Marine-type fatigue-caps, also gray. They were carrying a flag. The flag had a white ellipse, horizontal on a red rectangular background. In the ellipse was a stylized eagle with its wings spread. It seemed to be the same type of flag as the National States Rights Party used. There were no incidents between them and the surrounding crowd.

SUBJECT: NATIONAL STATES RIGHTS PARTY
RACIAL MATTERS

By a previous memo, the writer reported the distribution of a United Klan of America, KKK application form in the vicinity of the Shop Rite Super Market, Middleton Road, Pearl River, N.Y. This application was distributed during Mid June, 1971.

On the evening of 6/23/71, the reporting Agent returned home from work and arrived at the above parking lot at about 7:30pm. He was met by his wife who was waiting to pick him up from his car pool. While waiting, a young man about twenty years of age, 6' tall, Stocky build with blond crew cut hair handed the writer's wife a copy of the "Thunderbolt" dated June, 1971, with an address of PO Box 6263, Savannah, Ga. This individual was observed to be wearing a dark gray shirt and trousers similar to FBI range clothes. He continued to canvass the parking lot, however he was not seen to depart the area in an automobile.

The paper received from this individual is attached.

[REDACTED]

NATIONAL STATES RIGHTS PARTY (NSRP)

Apparently the dismissal of [REDACTED] caused quite a problem in the NSRP. It appears the NSRP became somewhat factional over the issue and divisions between members in the north and the south seemed to develop.

[REDACTED] apparently tried to rally supporters within the NSRP to his side of the issue. It was said the issues raised by [REDACTED] in his newsletter causing his dismissal from the party were believed to be true by the NSRP in the northern areas and it was reported NSRP headquarters in Georgia had learned NSRP affiliates in the north had been in contact with [REDACTED]. It was said that if the leaders of the party in Georgia did not meet the issues raised by [REDACTED] with immediate action, then the north NSRP affiliates would leave the party. The differences and grievances could be possibly presented later at the National Convention.

Also matters allegedly concerning the Northern NSRP is the thought the NSRP needs a concrete platform to "justify its existence". Also that J. B. Stoner is not being recognized or put forward as the head of the party and it is believed [REDACTED] NSRP official associated with Stoner, is trying to "black out" Stoner through use of the NSRP publication, The Thunderbolt.

It has also come up that possibly The Thunderbolt is separating itself from the party and standing out by itself rather than supporting and backing the party. It has also been rumored feeling exists the format of the paper should be changed.

A meeting was to be held at [REDACTED]

[REDACTED]
[REDACTED] regarding the problems the north feels exist in the party. The meeting was to be held [REDACTED] that date. Members from Pittsburgh, Connecticut, and New Jersey, New York, and West Virginia, were expected to attend and take up the issues mentioned above.

In addition, it was reported that an individual named [REDACTED] of the party, recently went to the party headquarters in West Virginia where [REDACTED] and went through their records and intercepted their correspondence. This reportedly caused a great deal of resentment.

Florida Klan Leader Stops FBI Plot

JOHN PAUL ROBERTS in his barber shop as seen through plate glass window. Note photo of Gov. Wallace on window. Jim Sellers, the linen supply man, interrupted their plans. He said, "they looked like they would have hurt him (Rogers) if I had not been there." Both Rogers and Sellers said they are willing to take lie-detector tests to back up their allegations. The FBI agents refused to take similar tests, them admitting their guilt.

Since the death of Edgar Hoover, patriotic leaders have found that FBI agents have stepped up their campaign of harassment. It seems deliberately designed to try and scare some to drop out of this fight for the preservation of our Race, Nation and Faith.

The new head of the FBI, L. Patrick Gray is decidedly to the left of the late Mr. Hoover. This is proved by his very statement, concerning the attempted assassination of Gov. George Wallace, to the effect that if certain politicians would only refrain from "setting group against group," such shootings not have happened. Apparently Mr. Gray meant that Gov. Wallace brought the shooting on himself because of his views against integration?

Mr. John Paul Rogers is the owner of a barber shop in Lake Wales, Fla. He is also Grand Dragon of the "United Klans in Florida." Your editor has interviewed Mr. Rogers and the following is his story which is corroborated by a reliable witness.

On Wednesday, May 17, a group of 3 FBI agents drove around and around the block in which Mr. Rogers barber shop is located. When they saw the last customer leave, they parked their car a block away, and walked to his shop. Then they barged in and announced to John Rogers that they were going to "search you and this shop." He asked to see their warrant and identification. They refused on which is a violation of procedure, and they never had any warrant in the first place. They ordered him to sit down while they searched the shop, he refused and FBI agent John Frey said: "Then we are going to have to handcuff you." Rogers had recognized Frey and a John Williams as two agents who have been busy harassing Klansmen in the Tampa — St. Petersburg area. Mr. Rogers reports that their favorite tactics in trying to hold down the Klan's membership is to question new members at their job. This is deliberately intended as clear intimidation, that if they don't quit the Klan, they will have trouble with their employer. A vicious and cruel trick that they never dare use on the radical revolutionaries of the Marxist left. The FBI is quick to "respect" the Leftists rights, but we poor White people are supposed to remain as docile sheep while the FBI does all within its power to destroy all opposition to communism in America. That is exactly what the end result is when they seek to intimidate fine White Christian Americans into surrendering their beliefs and giving up the fight.

This case in Lake Wales, Florida backfired on the FBI. While these three, "big, brave" FBI agents threatened Mr. Rogers, in walked our witness. He is an employee of the linen supply company which regularly services the barber shop. He overheard the vicious FBI men threaten to use a blackjack on Rogers if he didn't submit to the illegal search. Mr. Rogers then asked the witness to run out and find the local police because

police soon came running. The FBI agents then claimed that Rogers had threatened them! We can all imagine one unarmed man threatening 3 armed FBI agents. THIS IS AN OBVIOUS LIE!

FBI LAWBREAKER IN CASE

The FBI clearly was out to violate the rights of John Rogers in this case. If the witness had not walked in they might have been able to arrest him and make ty charge of threatening FBI agents stick. Also they had no search warrant. Tampa FBI head, Joseph Santolana said they went to see Rogers on an "official investigative matter", only trouble is they never told Rogers what the "official matter" was.

Mr. Rogers tells us that he was manhandled, frisked and they pressed their finger down on the phone receiver when he attempted to call the police. They then interfered with his rights to have the protection of the local police. They even tried to order the witness out of the shop before Rogers could explain the trouble and send him running for the police.

Since the commission of this outrageous incident John Rogers has sought to obtain a warrant for assault against the 3 FBI agents. Lake Wales City Judge Joe Martin has stalled on the matter in obvious fear of challenging the power of the FBI. Nothing has been done to bring the FBI agents to justice for violating the rights of a patriotic White Klan leader.

At least a partial victory can be claimed in this case. It has resulted in a lot of local publicity. (Note enclosed article reprinted from The Tampa Tribune.) More patriots are now awake to the tricks the FBI uses to try and frighten our people into giving up this fight.

Considering the statement issued by the new FBI chief, Patrick Gray on Gov. Wallace, it is ironic that this incident occurred on the very same day that George Wallace was shot, May 17, and at about the same hour. Two simultaneous incidents where attempts to silence men of the Patriotic Right failed.

John Paul Rogers carries on the fight for the White people of America more dedicated than ever before. He is going to be on the ballot in September in the race for the School Board of Polk County. Rogers' stand is to stop busing at any cost. Perhaps that is why the FBI fears the effectiveness of a man like John Paul Rogers!

We asked Attorney J. B. Stoner to give us some advice on how to handle similar illegal intrusions by the FBI should the same happen to anyone else.

Mr. Stoner says that first of all you should never allow FBI agents to come into your home. They always arrive in pairs (now threesomes) and can lie about what you tell them. Remember, it is a federal crime to give false information to the FBI. This means that they are the ones who might lie about what you said and get you into serious trouble.

Keep your front door screen

tell them you have nothing to say and to leave your property at once. Should they refuse, promptly lock your door and phone your local police to come and arrest them for trespassing after warning. To sum up Attorney Stoner's advice, don't let them in and don't answer their questions. Remember, the FBI are master at asking trick questions. They can gain the information they want, on you or a friend, without your realizing what they are trying to get out of you.

Of course, John Rogers operated a public place of business and he could not keep them out, but he followed the right track by ordering them out and calling for the police. The quicker you can find a witness and call the police the safer you are from this type of harassment. It seems that the FBI, since the death of J. Edgar Hoover, is becoming more like the secret communist police in Russia. Report to us any such intrusions upon your rights. This may be the making of a new pattern of police state tactics against the right of Christian patriots, whose only crime is that they love their God, Country and Constitution. If so, we will surely bring it before the committee of Sen. Sam Ervin of North Carolina. He has announced his sincere wishes to be informed of all such un-American activities. I know that he will listen to our case and act upon such charges. If you know of any cases of this nature, phone myself (Dr. Fields) at this number (404) 427-0283 in Marietta, Ga.

NATIONAL STATES RIGHTS PARTY
EM - NSRP

In order to implement the new requirement in Section 122, Manual of Instructions, there is set out below the appropriate predication to be used relative to captioned organization, its leaders and activists.

Suggested Predication for Investigation of Organization

This investigation is based on information which indicates that the National States Rights Party (NSRP), is engaged in activities which could involve a violation of Title 18, U. S. Code, Section 241 (Conspiracy against rights of citizens); Section 245 (Federally protected activities); Sections 231-233 (Civil disorders); or 2101-2102 (Antiriot Laws).

The NSRP, formerly known as the United White Party, was organized in 1957 at Knoxville, Tennessee, and is based upon the concept of being opposed to all "race mixing organizations and individuals." The July, 1958, issue of the "The Thunderbolt," self-described as the "official racial nationalist organ of the NSRP," reported that rank-and-file "States Righters" had merged with the United White Party under "The banner of the NSRP." The organization supports and follows its official line of hatred against the Jews, Negroes, communists, and certain law enforcement agencies,

especially the Federal Bureau of Investigation. The organization carries out its line of hatred through the use of propaganda media and provocative demonstrations.

The national leaders of the NSRP have repeatedly and publicly urged the expulsion of all Jews and Negroes from the United States. On 9/1/68, following a NSRP rally at Berea, Kentucky, members of the NSRP and members of the local Negro community engaged in a gunfight in which one member of the NSRP and one Negro male were killed. The gunfight, which ensued following the rally, was attributed to anti-Negro remarks made by leaders of the NSRP at the rally.

On 12/20/71, J. B. Stoner, National Chairman, presided over a "Patriotic Rally" of the NSRP at Tampa, Florida, and made a speech advocating the killing of Jews, the deportation of Negroes, and "doing away with FBI pimps." On 4/10/73, at a NSRP meeting held at Garland, Texas, Stoner made a speech in which he attacked the Federal Bureau of Investigation, made scurrilous remarks about the Negroes and Jews, and stated that the NSRP advocated the repeal of all civil rights laws. In another speech on 5/4/73, Stoner and [redacted] of the NSRP, made speeches at a meeting of the NSRP at Richmond, Virginia, at which they warned of the danger of communism and the alleged plot of the Negroes and Jews to corrupt the white race. The leaders of the NSRP travel extensively throughout the United States and utilize interstate communications in the furtherance of their activities.

Suggested Predication of Investigation of Leaders and Activists

This investigation is based on information which indicates that the NSRP is engaged in activities which could involve a violation of Title 18, U. S. Code, Section 241 (Conspiracy against rights of citizens); Section 245 (Federally protected activities); Sections 231-233 (Civil disorders); or 2101-2102 (Antiriot Laws).

Re: National States Rights Party

Following this statutory citation, make a statement substantiating subject's reported activities within the NSRP as well as a brief characterization of the NSRP as outlined above.

As the NSRP has engaged in provocative demonstrations apparently intended to create a confrontation with established authorities and/or opposing political groups, all activists should be the subject of full field investigation. In the case of a person attending a NSRP function where the particular function and/or participation involves a possible violation of the Federal law, the person attending the function should be considered an activist and the predication for the investigation of this individual is the one set forth above.

Results of the investigation should be submitted in form suitable for dissemination with the appropriate recommendations.

In addition to the above enumerated statutes cited in the predication, each office should be alert for possible violations of other Federal statutes on the part of NSRP.

Persons who merely attend NSRP functions should not be the subjects of investigation or preliminary inquiry unless the above described activities are present.

TO : ADIC JOHN F. MALONE

FROM : SAC RALPH J. RAMPTON
DIVISION III

SUBJECT: EXTREMIST INFORMANTS

DATE: SEP 26 1973

Recently an extremist informant of the Cincinnati Division along with other individuals visited ROBERT DEPUGH, former head of the Minutemen (MM). During this visit DEPUGH indicated his desire to reestablish the MM as an "umbrella"-type organization including under its control such groups as the National States Rights Party (NSRP), the National Socialist White Peoples Party (NSWPP), and the United Klans of America, Inc., (UKA). In connection therewith, he stated that such an "umbrella" organization could only survive if a couple of known Federal sources operating within the organization could be pinpointed and thereafter a good example made of these individuals. He did not further elaborate with respect to this statement.

Although there is no reason to believe that DEPUGH has identified any of our sources, it would appear he may attempt to do so in an effort to carry out the above idea. All investigative personnel handling informants targeted against MM, NSRP, NSWPP, the UKA or other Klan and white hate groups should be aware of DEPUGH's comments and are cautioned to be alert for any information that individuals are attempting to identify our informants. DEPUGH's comments should not be made known to our informants in the interest of protecting the identity of the Cincinnati informant who furnished this information.

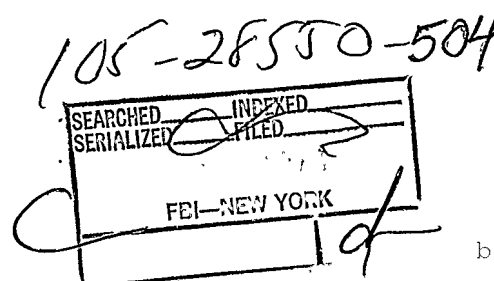

In further connection therewith, investigative personnel handling all extremist informants should be reminded to be constantly alert in dealings with extremist informants to assure that no efforts are being made to infiltrate our informant program.

**NATIONAL STATES RIGHTS PARTY
CHARACTERIZATION OF SUBVERSIVE ORGANIZATION
EXTREMIST MATTER**

The National States Rights Party (NSRP), formerly known as the United White Party, was organized in 1957 in Knoxville, Tennessee. The NSRP's official party line promotes hatred against Jews, Negroes, Communists and certain law enforcement agencies. NSRP National Chairman J. B. Stoner has publicly advocated killing or deporting Jews; deportation of Negroes; "doing away with FBI pimps"; and repeal of all civil rights laws. The NSRP carries out its line of hatred through the use of propaganda media and provocative demonstrations.
